

**Accelerate Productivity
with Scanning, OCR,
and Workflow Automation**

Datahaven™
Paperless Redefined™

With *Datahaven* for Dynamics, *Torrential Data Solutions* Brings Order to Chaotic Paper-Driven Environments

For over 20 years, *Torrential Data Solutions* has implemented its **Datahaven** solutions to bring order to the often chaotic, cluttered, and inefficient paper-driven environments found in a wide variety of industries, including distribution, transportation, retail, insurance, non-profit, services, and manufacturing as well as the public sector — just to name a few.

Our patented **Datahaven** solutions provide a paperless path with powerful, easy-to-use scanning, OCR, and workflow features embedded directly into Microsoft Dynamics NAV, Microsoft Dynamics 365 for Business Central, and Microsoft Dynamics 365 for Finance & Operations.

*"The experienced team at **Torrential Data Solutions** led us through the steps that enabled our organization to fully embrace a paperless environment. They made it easier for our staff to get their jobs done efficiently."* - Erol Fikri, DIRECTOR, SUPPLY CHAIN & LOGISTICS, DISPLAYS2GO

DATAHAVEN FOR DYNAMICS IS A TORRENTIAL DATA SOLUTION

Datahaven Fits How You Work — Not the Other Way Around

- We get to know your business and your processes and configure the **Datahaven** solution to fit how you work — not the other way around.
- Our thoughtful, comprehensive discovery process quickly identifies your organization's must-have requirements.
- We'll also point out less obvious requirements and best practices that will help you make the leap to an electronic and efficient way of processing documents, emails, and other electronic files.
- We'll fine-tune the **Datahaven** solution to fit your business like a glove.
- You don't have to change your business processes to use the **Datahaven** solution.
- Our strong project management skills will ensure that we implement **Datahaven** for you on time and on budget.
